### Biography

- **At the start of 2003:** Based on a duet (Lord Valek/Blaze), was born Fallacious World when Nicolas joined the band.
- **2004 :** The first 4 tracks demo CD is recorded: Nothing to hope.  
April 2004, after one year spent using a rythm programmer, Doro joined us in playing drum. We were libarated from our inescapable rythms.

Summer 2006, Valek leaves Fallacious World.  
October 2006, first Fallacious World's album **Tears of blood** is out.
- **2008 / 2009 :** New recordings. We hoped for the new album in 2009!
